White PVC-UE and PVC-U Profiles and PVC-U Fittings

1. Products covered by this Guarantee

- (a) This Guarantee applies to PVC-UE and PVC-U profiles and PVC-U fittings within the BW, W, DW range of whites manufactured by Kestrel. All other white profiles and fittings, and coloured profiles and fittings, are excluded from this Guarantee.
- (b) This Guarantee applies only to building and construction applications (i.e. roofline, cladding and window trim). All other applications (including mobile homes) are excluded from this Guarantee.
- (c) This Guarantee applies only to products sold and fitted within the UK and the Republic of Ireland. Any products purchased or fitted in another jurisdiction are excluded from this Guarantee.
- (d) Products which are not covered by this Guarantee may be subject to a separate guarantee.

2. Duration of this Guarantee

This Guarantee will remain in force for 20 years from the date of installation of the products.

3. Cover provided under this Guarantee

- (a) Kestrel guarantees that, for the duration of this Guarantee, but subject to the other provisions of this Guarantee:
 - (i) the PVC-UE profiles will meet the physical property requirements of BS 7619 : 1993 – The British Standard specification for extruded cellular unplasticized PVC (PVC-UE) profiles;
 - (ii) the profiles and fittings will not warp or crack;
 - (iii) exposure to normal weathering will not result in any significant part of the profiles or fittings changing colour, compared to Kestrel's relevant colour specification, by more than the permitted colour change for aged profiles as detailed in BS 7619:1993 (i.e. a maximum of Delta E of 7, where Delta E is the measurement determined in accordance with BC3900 Parts D8, D9 and D10, 1986). This paragraph 3(a)(iii) does not cover any change resulting from any form of shading (such as any overhang or any obstruction of the sun by any permanent or temporary structure or trees).
- (b) In the case of a valid claim under this Guarantee, Kestrel will, at its absolute discretion, either repair or replace the defective profiles and fittings. This Guarantee does not cover any labour costs incurred by the Customer or any third party in installing the repaired or replacement profiles and fittings.

4. Exclusions

- (a) This Guarantee will not apply if:
 - (i) the profiles or fittings have not been stored, installed and maintained in accordance with Kestrel's recommended fixing details and maintenance procedures;
 - (ii) the profiles and fittings have not been used in accordance with Kestrel's instructions;
 - (iii) the profiles or fittings have been coated or had any other process or repair performed on them other than by Kestrel;
 - (iv) the defect is caused by wilful or accidental damage, vandalism or negligence (other than that of Kestrel or its sub-contractors);
 - (v) the profiles and fittings have been stored or used (i) in climate zones where the ambient temperature exceeds 40°C or has fallen below -10°C, or (ii) at elevations above 1800 metres above sea level;
 - (vi) the profiles and fittings have been exposed, in storage or end-use, to atmospheric pollution, acid rain, harmful chemicals or vapours, fire, lightning, flood, abnormal winds or earthquake, or the effects of external heat sources or reflective surfaces, or undue wear and tear, or other unusual conditions; or
 - (vii) the profiles or fittings have been moved from the site where the defect is alleged to have occurred.

5. How to make a claim

- (a) To make a claim under this Guarantee, please contact Kestrel on 08702 406107.
- (b) This Guarantee along with the receipt shall be retained to demonstrate proof of purchase. Kestrel reserves the right to refuse any claim under a Guarantee where the customer cannot provide the original Guarantee document and the receipt.

6. Your rights

This Guarantee does not affect any rights the Customer has in law relating to the quality of the guaranteed products. For further information about your legal rights contact your local Trading Standards Department or Citizens Advice Bureau.
